

Year 1 Apple Class

Autumn 1

English We will be writing labels, lists and captions around the classroom and using these in our English writing. 	Maths We will be counting to 50, forward and backward, identifying one more and one less and comparing different amounts. 	Science We will learn about the weather and how it changes throughout the year. 
History We will be exploring toys from the past and comparing them to toys we have today. 	Geography We will be using a compass to give directions and navigate using maps. 	Computing We will learn how to use technology safely and start to explore Purple Mash. 
Design & Technology We will be naming and exploring everyday materials and learning how to use and carry tools safely. 	Art We will explore spirals through drawing, collage and mark-making. 	Music We will listen to music and keep in time to the beat, explore instruments and compose a class piece. 
PE Dance: We will move in time with music using counts of 8, explore pathways, actions and speed. Ball skills: We will practice our ball skills such as dribbling, rolling, throwing and catching. 	PSHE We will find ways to make school a safe and happy place for ourselves and others. 	R.E. & World Views We will learn about different faiths and their symbols.
