Meridian Primary School

Governing Body Code of Conduct, 2026-2027

School Vision

The Meridian community work together to become successful, life-long learners. Through high expectations, mutual respect and encouragement we promote curiosity and resilience. This builds a positive, nurturing and inclusive environment in which everyone feels safe and thrives.

Our School Values

Resilience, Kindness, Community, Respect, Curiosity

Our guiding principles for individual growth:

Working hard, encouraging successful learning
Building confidence and resilience
Being a positive, considerate and courteous community
Being responsible for our learning and actions
Striving for challenges and opportunities in learning

The Nolan Principles

We will abide by the Seven Nolan Principles of Public Life and demonstrate our commitment to ethical governance:

Selflessness: We will act solely in terms of the public interest.

Integrity: We will avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work. We will not act or take decisions in order to gain financial or other material benefits for ourselves, our family, or our friends. We will declare and resolve any interests and relationships.

Objectivity: We will act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability: We are accountable to the public for our decisions and actions and will submit ourselves to the scrutiny necessary to ensure this.

Openness: We will act and take decisions in an open and transparent manner. Information will not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty: We will be truthful.

Leadership: We will exhibit these principles in our own behaviour. We will actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

The Code of Conduct

Behaviours and Attitudes

We agree to behave in a professional manner in all interactions with the setting's stakeholders and community members.

We will build trust and confidence in the work of the Board and not act in ways that would bring the school or Governing Board into disrepute.

We will act, write and speak appropriately online and on social media, ensuring the values of the school are upheld in all public posts and comments.

We will respect due process and required procedures as outlined in guidance documents and as interpreted by advisors.

We acknowledge that we have access to the CCC Employee Assistance Programme (details are on GovernorHub here).
